CLUB HISTORY

Gala Wilton was formed in 1952 when a group of friends from the Wilton Road area of Gloucester City created a side known as 'Wilton Rover'. Initially they played their football in the North Gloucestershire League gaining limited success winning the FJ Pope Cup in 1956/57 and Division 1 in 1959/60. In 1970 the club moved to their present home at The Gala Club and then, in 1971 at the third time of asking, they were elected to the Gloucestershire Northern Senior League.

They made an immediate impact in the League, winning Division 2 and beating local rivals Longlevens Star to the title. The following season they finished a creditable 5th in Division 1 and made an application to the County League. Initially they failed to gain membership losing out by one vote to Division 1 Champions Bishops Cleeve. However, it was consequently discovered that the Cheltenham side had misled the County League with regards to the distance from their changing rooms to the pitch and, on a second vote, Wilton Rovers gained membership. Although voted into the County League, the club still retained its membership of the GNSL courtesy of their reserves and, in 1978/79, they won Division 2 by a point from Walls United.

During their 12 seasons in the County League they achieved their best position of 3rd in 1980/81 behind Almondsbury Greenway & Shortwood United, but in 1984/85 they finished 18th and were relegated back to the GNSL. The following season they made an immediate return to the County League having achieved runners-up position to ICI Fibres in Division 1 of Gloucestershire Northern Senior League.

That same season they also won the Diamond Jubilee Cup, a League Cup played for every four years at the time.

Having gained a return to the County League they remained in the League for just three seasons before they were relegated again. In 1989/90 they finished runners-up to St. Marks CA and, in the same season, they again won the Diamond Jubilee Cup but had changed the club name to Gala Wilton. After this

second successive Diamond Jubilee victory, the club went on a downward spiral and, for one season, only fielded a single side.

The club reached a new low when they were relegated to the second Division of the North Gloucestershire League. The club met with limited success back in the North Gloucester League with the Reserve team winning Divisions 2 & 3 while the 1st XI reached the JO Roberts final only to lose to Westbury United. In 2002 the club transferred allegiances to the Cheltenham League and its fortunes started to change for the better. Several GFA cups and promotions later, the club regained promotion to the GNSL and in 2007-8 they won Division 2 by a clear 10 points from Dursley Town to enable them to return to Division 1 of Gloucestershire Northern Senior League.

After securing their status in Division 1 of the Gloucestershire Northern Senior League, the first team won the "Reg Davis Memorial" Cup and finished 3rd in the 2011/12 season. The following season they won the Northern Senior League by 13 points, gaining promotion to the Gloucestershire County League, and completed the double by winning the Reg Davis Cup again.

Since then the club has managed to consolidate their place in the County League with various solid finishing positions; finishing runners up in the 2013/14 season, and several top 10 placings.

Overall, the club as a whole has had quite a successful recent period to date; with the Reserve team winning the "Fred Gardiner Memorial Shield" in 2021/22, and consecutive promotions, up into Division 2 of the Gloucestershire Northern Senior League – the highest ever league placing for our Reserve side.

The 3rd team won their Stroud League Cup in 2021/22, with the 4th team also enjoying Stroud League Cup success in 2022/23 winning the "Derek Freebury Shield", beating Tuffley Rovers in the final.

Last season 2023/24 however was difficult throughout the club, but both our first and second teams managed to retain their league places; and with Josh Taylor and Tom Read taking the management helm of our 1st and 2nd team squads, we look forward to an new era at the club in 2024-2025. The Club now has 3 youth teams at Under 13's, 14s and 15s so making a clean pathway for the players in to adult football.

With planning permission also recently approved to improve the ground to host floodlit football, and an exciting partnership announced with Gloucester City to promote their U18 youth footballers, the future once again looks bright at Gala.

Filton Athletic FC History

Filton Athletic FC are a long-standing amateur football club based in the North of Bristol. We started out as St. Andrews Meth back in the 1960's, then changed to Filton Athletic FC in 1986.

We are currently made up of two adult football teams who both play regularly on a Saturday afternoon.

Our first team compete in the Gloucestershire County Football League, having been promoted as Champions from the Bristol & Suburban Premier Division in 2023-24. They play their home games at Pen Park Sports Ground.

Our Reserve team compete in the Bristol & Suburban Senior Division, and they play their home games at Elm Park, having returned in 2023 after 2 years of development work at the ground.

In 2023 we established the Filton Athletic FC Youth Team, which consists of U8, U9, U10, U11 and YDS.

The club is run by an enthusiastic and committed committee who have the drive and ambition to move the club forward both on and off the field and welcome anyone who wishes to get involved.

The club is also fortunate to be supported by some of the best fans in the world, the self-proclaimed Filton Ultras!

Filton Athletic FC Player Profiles

Barry Phillips – Goalkeeper

The illustrious Baz, Bristol's answer to Gianluigi Buffon - if Buffon played in a Sunday league and considered not conceding a goal his life's greatest achievement.

Matt Barry – Goalkeeper

Young and highly rated keeper was the saviour of the team when he stepped in last season. Has enormous potential even with his small stature. Tried to defeat Benidorm but failed miserably.

Chris Hillyer - Defender

Out and out defender who is quick and strong with a long throw and eye for a pass.

Jack Cutler - Defender

Uncompromising silky defender who is comfortable on the ball. Quick, strong and reads the game better than most.

Jack Willmor (vice-captain) - Defender/Midfielder

A strong fast powerful player, leader on the pitch and great communicator. Loves football but it does not love him. Gives plenty of instruction to his teammates, if only he could instruct his feet to do what he wants.

Joe Mitchell - Defender/Midfielder

Technically gifted and versatile player who performs wherever he plays. Consistent and dependable with a great attitude.

Kieran Daniels - Defender/Midfielder

Dynamic player with a great left foot, can play in multiple positions and provides good options at the back or in midfield.

Kyle Buffery - Defender/Midfielder

New signing for the 2024-25 season, experienced and versatile. Composed on the ball and a great character.

Matt Price - Defender

Last years (and every other year) players player. The GOAT.

Tom Fry - Defender

A strong and solid footballer, loves a challenge and great on the ball. In his youth played at BRFC academy before pursuing a career in public services, which is ironic as it's a crime that he is actually playing football.

Trey Merrett - Forward

Young striker with lightening pace a great first touch and eye for goal. Top scorer for 2023-24.

Callum Mitchell - Midfielder

Energetic midfielder who loves a tackle, good on the ball and has a penalty in the locker when required.

Dan Matthews - Defender/Midfielder

Tenacious player who loves the physical side of the game. Will contribute with goals from midfield and can do a job in defence.

Fraser Venables - Midfielder

Goals and assists sums this guy up, outrageous control and wand of a left foot. Watch out for several bangers in 2024-25.

Jack Cole - Midfielder

Huge addition to the club when he joined in 2023. Has added pace, power, and creativity to the team. Brings another dimension to the midfield.

Jay Moore - Midfielder

Skilful winger with extremely good feet, can be a defender's nightmare when dribbling at them.

Kyle Thomas (captain) – Midfielder/Forward

Grateful to have Kyle back with us for the upcoming season. Established attacking midfielder with bundles of ability. Strong on the ball and in the air and a deft touch at set pieces.

Liam Dorman - Midfielder

Determined player who leads by example, loves to pressure the opposition, and never stops trying to win the ball back. Always gives 100%.

Yusuf Abdulrahman - Midfielder

Box to box midfielder that never seems to stop running. Not afraid of a strong tackle and will usually be the nemesis of the opponent midfielders.

Fabian Pereira - Forward

Skilful attacking player, clinical when given the opportunity. Will be pushing to get a starting spot.

Kieran Cooper - Forward

Big strong forward who's work ethic is second to none and has a worldie in his pocket. Any managers dream, calm and collected in the dressing room, the man any team needs to diffuse a situation although it appears young 20-year old players annoy him slightly.

Said Hassan - Forward

Young and promising forward with tons of skill. Top scorer for the Reserves last season and will be looking to make a significant impact.

SEVERN SPORT

Severn Sport is a website dedicated to covering all things non-league and grassroots football in Gloucestershire.

Matt Yates and Ryan Butler branched out from being part of Gloucester City's Tigers Radio in 2010 and began to cover football from National League down to the Stroud, Cheltenham and North Gloucestershire Leagues, the Cheltenham Youth U18s Floodlit League and more recently, the South West Regional and Gloucestershire County Women's Football Leagues.

Through match reports, interviews, live radio commentaries and podcasts, Butler now looks to continue to enhance the reputation of football within the local area.

Wills Bros

Wills Bros are a family run company that has been operating for over five decades now, and among our most important core values are sustainability and social value. It is because of this that we were able to become the first Civil Engineering Contractor in the world to be recognised as Carbon Neutral under the United Nations 'One Carbon World' scheme. We are delighted to work with the Gala Wilton Football Club so that we might continue to inspire, encourage, and empower the young minds of Gloucestershire.
